# BUILDING YOUR FUTURE

## BLESSED OR ANXIOUS? Part 2

### DEUTERONOMY 28:2-8 (NLT)

**TRUTH:** The quality of our future depends on our ability to reorder our lives.

**INSIGHT:** God's blessing is not based on resources available, but on His power and your trust and obedience to what He tells you to do.

**TRUTH:** God wants to bless you "if" you qualify.

**INSIGHT:** Your obsession with the recession will cloud your vision of God's provision.

GOD HAS PROMISED TO BLESS THOSE WHO:

1. Admit they don't deserve God's blessing.
2. Believe God delights in blessing His people.
3. Obey what God tells them to do.

TWO REQUIREMENTS FOR BLESSING WE LEARNED:

1. Meet with Him daily (Proverbs 8:34).
2. Study and obey His Word (Psalm 1).

### IV. GOD'S BLESSING FALLS ON TITHERS.

**TRUTH:** Tithing blesses not because of the amount but what the amount means (Malachi 3:10).

**INSIGHT:** It takes more faith to be an atheist than to believe in God.

**TRUTH:** Nothing does not create something.

### V. GOD WILL BLESS ME IF I HELP OTHERS (Psalm 41:1-2 LB).

**INSIGHT:** God looks to see if I am a dam or a river (Proverbs 22:9).

### VI. GOD BLESSES THOSE WHO SHARE THE GOSPEL (Philemon 1:6 NIV).

**QUESTION:** Will anyone be in Heaven because of you?

**INVITATION:** Will you say today "I want God's blessing on my house, my family, and me?" You have to qualify for that prayer to be answered. The question is "Do you qualify to be blessed? Do you need to make some changes?"
