WISDOM: THE ULTIMATE LIFE HACK

Todd Core, Student Pastor

PROVERBS 12:15; 28:26 HCSB

KEY QUESTION: What is the wise thing for me to do in this situation?

PRINCIPLE: Wisdom is the knowledge and ability to make biblical decisions.

Wisdom Based Decision Making Process

1) Hack the firewalls that prevent wise decision making.

a) Personal firewalls - Proverbs 28:26

b) Arduous firewalls - Proverbs 12:15

2) Log into the source code of wise decision making.

a) Scripture reveals the principles of wise living (Proverbs 3:5-6).

b) Other believers provide wise counsel that either affirms or corrects our direction (Proverbs 15:22).

c) Life experience can provide helpful data points.

d) The Holy Spirit guides the entire process and gifts us with either peace or a troubled spirit regarding our decision (Philippians 4:6-7).

- 3) Life hack examples
 - a) Relational arenas
 - b) Spiritual arenas
 - c) Practical arenas

STEPS OF OBEDIENCE: Run at least one decision through this process over the next week.
