"WHY DOES GOD ALLOW EVIL?"

WHAT HAPPENS WHEN WE AREN'T HONEST WITH GOD

HABAKKUK 1

1. We cannot grow intellectually or in our hearts. This means that worship becomes an impossibility.

INSIGHT: When we hurt deeply or are fearful, we will find answers to difficult questions by pressing ourselves into God.

2. We are forced to pretend that all is OK when it is not.

INSIGHT: If you don't know where you are spiritually, you can't get to where you want to be.

3. We focus on hiding our flaws instead of embracing the cross.

INSIGHT: Deliverance will come when Jesus is more attractive to us than our sin.
