"WHY DOES GOD ALLOW EVIL?" Part 2"

HABAKKUK 1

1. When questioned about your faith, the Holy Spirit will guide you in what is right and wrong (John 14:26).

INSIGHT: When the Holy Spirit raises a flag about a question of faith, reframe the question.

2. God orchestrates every event in our lives to accomplish His purpose (Colossians 1:13).

INSIGHT: We were created for the singular purpose of bringing glory to God.

3. Both good and evil exist to reveal God's glory in mankind from generation to generation.

INSIGHT: Pain, sickness, or blessing come and go according to their usefulness in bringing glory to God (Colossians 1:16).
