# Together Sunday

Praise God! Our worship services are resuming in-person. Our Kids and Student Ministries are opening their doors. Life Groups are beginning to meet again and there is such a great spirit of thankfulness here on the Hill in these days! At Harmony Hill, we want to be a church that welcomes anyone to worship with us as we grow together in our Christian faith. That is why we are letting you know what to expect in worship. Things may have changed in the “way” we gather, but certainly not in the “why” we gather. We are called to fellowship, to assemble but we are also called to be wise in doing so. In these days of COVID-19 and infectious diseases we must take deliberate steps to stay healthy and safe while we fellowship together.

Below are the latest guidelines for gathering together for corporate worship here at Harmony Hill. As your pastor, I want to thank you in advance for embracing these simple requests. Know also that I look forward to seeing you on Sunday morning.

Thank you,

*Bro. John*

- We are no longer requiring immediate exit following services, but please wear a mask while conversing with others.
- Baptisms may be scheduled to take place in the 11:30 service. Call the church office to schedule.

## **WHAT IS EXPECTED FROM OUR CHURCH MEMBERS?**

- Wear a mask to enter the Worship Center. We will continue to wear masks in the service during the worship through song, and Pastor John will instruct the congregation as to when they are allowed to remove their mask for the worship through the Word and then when to put it back on again as we dismiss. The only exception is for children 10 years of age and younger. If you are unable or unwilling to wear a mask, we ask that you please join one of our online worship services.
- Wash hands upon entry or use sanitation stations.
- Don't come if not feeling well or if anyone in your household is not feeling well.
- Those over 65 or immune-compromised are encouraged to stay home for now.
- Cover coughs and sneezes.
- We encourage refraining from handshakes; instead greet with fist or elbow bumps. We ask that you be mindful of our church members who prefer no physical contact.

Harmony Hill continues to place a high priority on health and safety for everyone who enters our facilities. As we gather together in larger numbers and with more frequency, our hope is that the body of Christ will be strengthened by the sweet fellowship that we have always enjoyed together. God is continuing to move here on The Hill, and we are anticipating many great things in the days ahead as we gather together.
