Todd Core, Student/Teaching Pastor

John 13:34-35

KEY STATEMENT: As we remember Christ's love for us, we must be totally committed to loving one another.

1. Understanding the "New Commandment"

- a. New Covenant = the need for new laws
- b. A New Standard elevates an Old Commandment into something new.
- c. A New Urgency requires a New Reminder.

2. Let us remember the love we have received.

TRUTH: The only reason we understand love is because God modeled love to us first.

3. Let us be totally committed to loving one another.

TRUTH: When we are committed to the gospel, we will be compelled to love one another.

PRACTICAL STEPS:

RESULT: The result of our loving one another will be a revelation for those far from God.

NEXT STEP IDEAS:

1. Identify your group.
2. Determine a way to show love to someone this week.
3. Journal about the love you have received from God.
