"BEAUTIFUL FEET"
Ross Wellman, *Missions Pastor*

ROMANS 10:8-21

We are saved by confessing and believing. If we do these two things, we are guaranteed salvation.

Paul tells us that the gospel is near us, but the reality is it is not near everyone currently.

GOSPEL REALITY: If every believer shared with every person they know, 29% of the world would still have never heard because there is no one to tell them.

INSIGHT: There is a great difference between the terms "lost" and "unreached." Therefore, our resources must reflect our priorities.

So many are still waiting for the gospel. Who will go to them?

"The Gospel is only good news if it gets there in time."

–Carl F.H. Henry

We were once the unreached, but God included us in His plan for salvation and sent His Word to us.
