LUKE 24:13-35

MAIN POINT: The Resurrection changes everything.

Four ways the resurrected Jesus changes those He meets along the road:

1) The Resurrection changes our despair into hope (Luke 24:21).

2) The Resurrection changes our perception of Jesus (Luke 24:30-31).

3) The Resurrection changes our understanding of Scripture (Luke 24:27, 32).

4) The Resurrection changes our direction (Luke 24:33-34).

INSIGHT: The Resurrection gives us the ability to claim victory where we previously felt defeated.
