

# HARMONY HILL

BAPTIST CHURCH

## Re: April Transition Update

We value your role in our church leadership and ask that you assist Pastor John and the Elder Team in informing our church of the upcoming pulpit announcement by wisely sharing the following points within your spheres of influence.

- According to church bylaws and historical precedent, the Elder Team is leading in the search for our next Senior Pastor.
- To provide stability in the transition season and for years to come, the Elder Team is working with staff and church members on 4 projects: filling staffing needs, Defining Harmony Hill's Identity & Direction, and Updating our Bylaws & Constitution.
- There will be a webpage with regular updates and videos from the Elder Team and Pastor John to keep our church family informed during the transition process. ([Harmony-hill.org/transition](http://Harmony-hill.org/transition))
- **Ways to pray:**
  - for God's provision of a Children's Ministry leader
  - for Pastor John & Kathryn as they plan for their next season of ministry.
  - for the Elder Team as they seek God's will for our church leadership, and
  - for our church body to be united during the transition.
