**"THE WINDING ROAD"**

**Todd Core, Student/Teaching Pastor**

**GENESIS 37-45**

**BIG POINT:** God has a plan His people can trust.

**SMALLER POINTS:**

1) Don't throw your brother in a pit (Gen. 37).

---

---

---

2) You can always get another coat, but you only have one name (Gen. 39).

---

---

---

3) God is close to those who do the right thing whether in prison or a palace (Gen. 39:2, 21).

---

---

---

4) It is a beautiful thing to cry on someone's neck when God changes them (Gen. 44-45).

---

---

---

**CLOSING THOUGHT:** No matter how winding the narrow road, live with integrity and trust God to work out His plan.
