"THE ROAD TO BEING A NEIGHBOR"

Todd Core, Student/Teaching Pastor

LUKE 10:25-37

OVERVIEW: This passage requires that we wrestle with three questions about the road to being a neighbor.

1) The Good Question (v. 25)

THE QUESTION: "What shall I do to inherit eternal life?"

THE ANSWER: Love God and love neighbor.

2) The Wrong Question (v. 29)

THE QUESTION: "Who is my neighbor?"

INSIGHT: The lawyer was seeking an answer to justify himself.

3) The Convicting Question (v. 36)

THE QUESTION: "Which of these three proved to be a neighbor?"

INSIGHT: Jesus uses the parable to flip the word "neighbor" in 3 ways:

- a) From a noun to a verb
- b) From a narrow definition to a broad one
- c) From a law to be kept to an evidence of faith

INVITATION: Go and do likewise.
