**"THE WORSHIP GUARDRAILS"**

Todd Core | Lead Pastor

**TEXT:** John 4:7-34

**MEMORY VERSE:** John 4:24

The guardrails of worship are the Spirit and the Truth.

3 principles from the text:

1) True worship begins when we taste the living water (vv. 7-15).

**INSIGHT:** Water is a critical need for life, and Jesus shifts the conversation to our critical need for His living water.

2) The Spirit and the Truth are both critical ingredients to our worship (vv. 16-26).

**INSIGHT:** Neglecting either one will cause us to veer off the path when it comes to meaningful worship.

3) Proper worship brings true satisfaction (vv. 27-34).

**INSIGHT:** Leave the jar behind and find true satisfaction.
