**"2 JOHN: KNOW, LOVE, WALK, WATCH"**

**Dr. Jared Musgrove | Pastor/Elder, The Well Community Church, Argyle, TX\***

**TEXT:** 2 John

**vv. 1-3**

The false teachers claim there is something more that you have to do.

**vv. 4-6**

The message of 2 John is really four commands (imperatives): know the truth, love one another, walk in the truth, and watch yourselves.

Love is more than mere feelings; it is an act of will out of a heart formed by Jesus.

**vv. 7-11**

These deceivers are deniers of the humanity of Jesus Christ.

2 John is an emergency application of 1 John.

"Watch yourselves" is the translation of a Greek word often used by Jesus in the gospels to warn the disciples of deceivers.
