"VISION OF THE DRY BONES"
Todd Core | Lead Pastor

TEXT: Ezekiel 37:1-14

To understand this text, we need to understand the original context and then make application for today:

1. Original Context: A Message of Hope for the Restoration of Israel from Exile

INSIGHT: The Dry Bones = Hopeless

INSIGHT: The Word of God + God's Spirit = Life

PURPOSE OF THIS VISION: That Israel would know that Yahweh is Lord.

2. Applications for Today:

a. Salvation: The same God who resurrected a nation offers resurrected life in Christ to us today.

b. Future Resurrection: The same God who resurrected a nation from exile will resurrect His church for His eternal kingdom.
