**"HEALING NAAMAN"**  
Todd Core | Lead Pastor

**TEXT:** 2 Kings 5:1-19

Three applications from the story of Naaman's healing:

1) There are no small parts only small actors (vv. 2-3, 13).

**INSIGHT:** God can use a small act of obedience to make a big impact on someone.

---

---

2) Get out of your own way (vv. 9-12).

**INSIGHT:** Our greatest need is for God to heal our inner leprosy (vv. 15-18).

**INSIGHT:** A good question to ask is "Lord, what are You up to in this?"

---

---

---

3) There is a prophet in Israel (vv. 8, 15, Luke 4:27).

**INSIGHT:** In Luke 4:27, Jesus identifies Himself with the role of Elisha. His message of salvation is for people who seek God on His terms not their own.
