LABOR IN THE HARVEST

MISSIONS MONTH 23

"ENGAGED IN THE CONFLICT"

Ross Wellman | Missions Pastor

TEXT: Philippians 1:19-30 (ESV)

Risk exists because of ignorance. If we knew the future, there would be no risk when we made a decision!

TRUTH: It is not your location or your circumstance that determines your security. It is the sovereign God who ordered the Cosmos and knit you together in your mother's womb who ordains your every step!

"Conduct worthy of the gospel is above all conduct that PROMOTES the gospel." –D.A. Carson

So how are we doing?

- 8+ billion people in the world today
- Over 3 billion with little to no access to the gospel
- 40% unreached

Our claim that we champion the glory of God has a disconnect. It's a global glory or it's no glory at all!

Engage in the conflict by:

- Praying
- Championing
- Sending
- Going
