"PREPARING FOR THE NEW YEAR"
Todd Core | Lead Pastor

TEXT: Exodus 18:1-27

Preparing our hearts for the New Year:

1) It is good for us to celebrate what God did in 2023 (vv. 8-12).

TRUTH: When God's story is told, people are awakened from death to life.

2) It is good for us to pray and prepare for what God has for us in 2024 (vv. 13-27).

TRUTH: We need to heed Jethro's advice in building and strengthening our leadership structure.

Why?

- So we don't wear each other out.
- So that knowing how to follow Christ becomes even more accessible for our people.

ACTION STEP: Would you commit this year to praying for our current leaders and for God to raise up new ones for the coming days ahead?

What to Expect this Month:

Week 1: Call for Spiritually Healthy Leaders

Week 2: Call to Promote Spiritually Healthy Families

Week 3: Call for Spiritually Healthy Stewardship (Call to fast and pray during this week)

Week 4: Commitment Sunday
