FROM DEATH TO LIFE

May 5 Baptism Sunday

"AWAKENED FROM DEATH TO LIFE"
Justin Easley | Discipleship Pastor

TEXT: Romans 6:1-11

We celebrate this morning as 20 people have placed their faith in Christ and demonstrate their move from death to life through believer's baptism!

1. Baptism is a key sacrament of the church.
   a. It represents Jesus' death and resurrection.
   b. It symbolizes a believer's permanent move from death to life.
   c. It is a symbol of our changing allegiance.

2. Jesus has power over spiritual and physical death.
   a. Death no longer has dominion over those who believe in Christ.
   b. We must consider ourselves dead to sin and alive to God in Christ Jesus.

Do you have a death-to-life story? If you have accepted Christ as Lord of your life, take a minute to write a brief description of your death-to-life story so you'll be able to share that story with others.
