# SEEKING WISDOM

"THE WAY OF WISDOM"

Todd Core | Lead Pastor

**TEXT:** Proverbs 4:1-27

The purpose of this series is to encourage the pursuit of biblical wisdom today in order to pass it on tomorrow.

Proverbs 4 gives fatherly advice regarding wisdom:

1) Take it from those who know, you should pursue wisdom above all else (vv. 1-9).

**TRUTH:** Wisdom must be received in order for it to be useful (vv. 1-4).

"Wisdom is an inheritance that every generation must choose to receive." – Duane Garrett

**TRUTH:** Pursuing wisdom is like wooing a good spouse (vv. 5-9).

2) Learn to discern the way of wisdom and the way of the wicked (vv.10-19).

**TRUTH:** Evaluate the character and end result of those on the path before you.

**TRUTH:** When making a decision learn to ask the right question.

---

---

3) Guard your heart and the rest of you will follow (vv. 20-27).

**TRUTH:** It is from the overflow of your heart that your wisdom or folly is revealed (v. 23).
