**"MISSIONS IN 20:24"**

**Ross Wellman | Missions Pastor**

**TEXT:** Acts 20:17-24 (ESV)

Spiritually healthy households multiply the range and impact of the gospel.

---

---

---

This world and ALL that passes for power will crumble in the power of the spoken gospel and the coming kingdom of God.

---

---

---

If you are not serving locally or globally, you are missing out on the blessing of seeing what God is doing in these days!

---

---

---

This course and ministry that God gave Paul is the same course He has given EVERY disciple of Jesus.

---

---

---

The spiritual maturity, love, joy, and fulfilment of this church family is only precious and valuable if they drive us out into a world that has none of those things unless we offer it to them.
