

## "THE NEW JERUSALEM"

Todd Core | Lead Pastor

**TEXT:** Revelation 21:9-27

**PURPOSE OF THE SERIES:** We must be careful to make sure that our understanding of heaven is biblical. Therefore, we will engage the scripture to better understand the inheritance that awaits believers.

### 3 OBSERVATIONS ABOUT THE NEW JERUSALEM

1) It is a radiant city that exemplifies \_\_\_\_\_, access, and \_\_\_\_\_ (vv. 9-14).

---

---

---

---

---

2) It has measurements that invite the redeemed into the \_\_\_\_\_ (vv. 15-21).

a) The \_\_\_\_\_ design reminds us of the design in the temple (1 Kings 6:20).

---

---

b) The 12 stones remind us of the \_\_\_\_\_ of the High Priest (Ex. 28:17-20).

---

---

c) The street of \_\_\_\_\_ reminds us of the floor where \_\_\_\_\_ walked to get to the Holy of Holies (1 Kings 6:30).

---

---

3) It is a city with a unique \_\_\_\_\_ source (vv. 22-27).

**TRUTH:** The Father and the Son are the \_\_\_\_\_.

**TRUTH:** This Light will bring a beauty of \_\_\_\_\_ through the \_\_\_\_\_ of the nations.

**TRUTH:** This city is accessible only to those whose names are in the Lamb's \_\_\_\_\_.
